

ANN HILL
Founder/Director

Ann Hill is the Creator and Director of Evelyn's House Foundation.

Ann was raised in a three-bedroom home and is the youngest of eleven siblings. Her parents, Tony and Evelyn, understood shared housing out of necessity. They raised their children to work together, to share daily chores and responsibilities which brought forth love and respect for one another.

Evelyn was a devoted mother and wife with a Godly spirit. Wearing her apron daily was symbolic of Evelyn's work ethic and kind spirit. She was always available to help friends, neighbors and others in need.

Ann's mission is to help the residents of Evelyn's House Foundation to find comfort and safety living in a home filled with peace.
