Available in a variety of THC:CBD ratios so you can find the perfect balance for you!

Premium Blend of Coconut and Olive Oil, provides versatility, and additional benefits.

Made with Full-Spectrum Cannabis Oil, RSO, for maximum absorption and entourage effect.

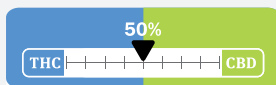

HOW TO FIND THE RIGHT RATIO FOR YOU?

5:1 | FIVE PARTS THC TO ONE PART CBD

Higher amounts of THC to CBD is great for those who are looking to increase the medicinal benefits of THC.

1:1 | EQUAL AMOUNTS OF THC AND CBD

Referred to as *The Golden Ratio* of THC:CBD, recognized by medical professionals for its ability to achieve the entourage effect -- where THC & CBD can work synergistically.

1:10 | ONE PART THC TO TEN PARTS CBD

Perfect for patients looking to micro-dose. The High CBD is great for inflammation relief -- while still providing the benefits of THC.
